Resultado CEFR

Nivel: A1

Confianza: low

Justificacion

Your response shows very limited vocabulary and many grammatical errors, making it hard to understand. Fluency is low with frequent pauses and repetitions, and the ideas are not logically connected, resulting in poor coherence and minimal content. The length also appears shorter than expected. To improve, practice constructing simple sentences with clear subjects and verbs, and focus on linking ideas using basic connectors like "and" or "but".

Transcript

I never see it now, no one loves recording, I don't know what you say, say, I say it, I said she.
